ICAR - CENTRAL INSTITUTE FOR WOMEN IN AGRICULTURE, Bhubaneswar

Report of Swachhata Campaign on 22 December, 2022

As a part of Campaign on "Swachhata Pakhwada" celebration, ICAR-CIWA, Bhubaneswar organized various activities to create awareness about the importance of cleanliness and sanitation among people, both at the institute and also in the villages. As a part of celebration, the scientific method of making vermicompost was demonstrated by Mr. Manoranajn Prusty, Technical Officer & In Charge Farm at the Vermicompost unit of the Institute. The technology related to conversion of waste to wealth through vermicomposting, its principle, materials required and procedure for making vermicopost, along with the advantage of vermicompost compared to synthetic fertilizer on improving soil fertility was explained. A debate competition on the topic "Swachhata se Sashaktata" Twenty participants attended the demonstration on vermicomposting.
